## YOU REAP WHAT YOU SOW

### MEETINGS & TEAM BUILDING AT NO.1

Whatever the meeting or event, be it corporate or a team exercise, No.1 has many options for you to choose from. We offer unique meeting spaces throughout this historic building for you to do business. From the Board Room for the more formal affair to the intimacy of The Wine Room for the smaller group get together No.1 Pery Square has the solution for you.

### GROWING IDEAS INTO SOMETHING BIGGER

No.1 Pery Square offers a small intimate non clinical approach to meetings in that we provide small spaces conducive to brainstorming. The Board Room has often been referred to as the "Think Tank" for many small local & national businesses to the bigger corporate giants. For much official meetings we can also offer a full on professional package.

### THOUGHT PROVOKING BRAIN FOOD

No. 1 is a great option for a team day away and/ or residential meetings. We offer good organic wholesome food to aid the brain from light lunches to full dinner menus and some great power juices and snack ideas for the in-between.

### FRESH AIR & INSPIRATION

The Peoples Park directly opposite the townhouse is great for getting some fresh air & inspiration. Pre & post meeting stretching sessions with a qualified instructor can be provided

We love our Harney's tea & Nespresso coffee so we prefer to serve fresh as required with home baked butter shortbread rather than flasks that sit for the day. We can offer a great selection of organic herbal teas and some from our very own kitchen garden when in season. Our boardroom boasts great big sash windows for the flow of fresh air offering a more conducive to "doing business" environment rather than an air con room.

We also offer a full F&B service to compliment your meeting and corporate room rates
